

# HSS SAWS CNC GRINDING MACHINE mod. CNC600

- Electric cabinet with automatic ventilation
- Exhausting system
- Automatic grinding wheel dressing device
- All tooth geometry can be resharpened
- HSS saw diameter mm (50) 120 – 600 (750)
- Maximum saw blade thickness mm 8
- Grinding wheel diameter mm 200
- Working speed teeth/min 0-130
- Grinding wheel spindle 0 to 8000 RPM
- Compressed air 6 bar
- Grinding wheel motor power kW 3
- Weight kg 1500
- Dimensions mm 1750x1550x2000
